

“Global Media Outreach is perhaps God’s most effective tool yet to allow every person on planet Earth to hear about and to know Jesus Christ. It is certainly a fulfillment of a dream of Bill Bright.”

Vonette Bright Campus Crusade for Christ

“I can tell you that this is one of the most exciting things I have ever been a part of in my 40 years of ministry. God is inviting us to be part of something that is simply amazing!”

“We believe that our Lord desires to use the growing influence and power of the internet to share the Good News of Jesus Christ with men, women and young people around the world. We thank Him for the many contributions of Global Media Outreach to empower churches by involving their members to become actively engaged in helping to fulfill the Great Commission through the ministry of the Internet.”

“The growing influence of the Internet has opened up unprecedented new opportunities to share the gospel of Jesus and make disciples worldwide. Global Media Outreach is a leading pioneer in Internet evangelism and discipleship. They are helping local churches to mobilize thousands of volunteer Online Missionaries toward the fulfillment of the Great Commission. The response they are seeing to the Gospel message on scores of websites is truly remarkable across the globe.”

Paul Eshleman, Founder, The Jesus Film Project

“Our online missionaries allow our church to minister to people worldwide each and every day. Our Forestville Church families minister together, reaching out from their home computers to the world that Jesus loves and died for ... to people who are seeking Jesus. I truly believe that technology through computers and cell phones is the most effective entry point and communication port to the people of this 21st century world. This is one of the most important things I’ve ever done.”

**Rob Jackson, Pastor, Forestville Baptist Church,
Greenville, South Carolina**

“In difficult economic times, ministry partners must look for excellent Kingdom returns per dollar of contribution. Global Media Outreach offers you that kind of good stewardship opportunity.”

Steve Douglass, President, Campus Crusade for Christ
